MEETING SUMMARY

Study Area

The group reviewed the 1986 comprehensive plan study area map and decided to extend the boundaries. The boundary is proposed to extend to Lone Maple Dr to the north across I-5 to the West and around Green acres, South to Cook Ferry Road and tie into the existing city limits.

Public Participation

The group started the early stages of discussion on public involvement deciding to publish newspaper articles, a brochure, and lead visioning exercises in public forum.

Population Data

Population data for the city of Castle Rock was researched and discussed.

Other Plans

The Planning Commission looked at several examples of other Comprehensive Plans.
